જ્યાં સુધી આપણું અંતિમ લક્ષ્ય પ્રાપ્ત ન થાય ત્યાં સુધી ક્રમશઃ
વધુ દુઃખ સહન કરવાની શક્તિ આપણાંમાં આવવી
જોઈએ, આ જ સાચી જીત છે.

ABOUT US

The journey matters more than the destination and this is what we foster at SVIT. We strive to provide the quality of education that sets us apart, with a unique blend of well defined processes. The environment and the space you grow up in plays a major role in shaping a young mind. The SVIT campus is spread across 26 acres of land, with designated areas for indoor and outdoor sports.

The new building at SVIT is designed and built keeping the students in mind. A space for students to be inspired and be the best versions of themselves.
