

**Report on Industrial visit  
at Tech Elecon, Anand of Second Year – IT students scheduled on  
10-12 May, 2023  
Academic Year: 2022-23 (Even Sem.)**

**COMPANY INFO:**

**Name : Tech Elecon Pvt. Ltd.**

**Address : Anand - Sojitra Rd, Vithal Udyognagar, Vallabh Vidyanagar, Anand, Gujarat  
388120**

**Website : <http://www.techelecon.com/>**

**Profile : Hardware, software and networking solutions**

**Visit Timing: 10:30 to 1:00 PM (Three days)**

As an integral as well as an auxiliary part of the Information-technology engineering, all of us students in the third year had to go on an industrial visit for three days at **Tech Elecon, Anand**.

Tech Elecon is the IT division of the Elecon group of companies and has an experience of more than 25 years in the field of hardware, software, and networking solutions. They provide OEM level products, packaged products, and ready to install systems for wireless Data and Voice for industrial, and military, and government clients. They serve a variety of customers ranging from radio integrators to multibillion-dollar defense contractors.

The visit was arranged on three days for three class of Second Year IT Students on 10-12 May , 2023 respectively I, II and III divisions. Mr. Narsinh was the recourse person who gave the very informative session about complete range of connectivity system integration solutions/services such as High Speed Internet, Bandwidth on Demand, IP VPN, Data Storage & Security, Co-location Services and Internet Telephony (VoIP). The group of students got chance to see the set-up of server and Router along with Firewall.

Session started with the basic terminologies of Computer Network and then enhanced their knowledge with the procedure to provide internet services through router, hub, firewall from the scratch. Students were given very useful information about how the internet is provided, how customer wise speed is set, how firewall works, how protocols works, classes of ISP, OSI Layers.
