

Report on Industrial visit

At Tops Technologies, S.G. Highway - AHMEDABAD of Third Year – IT students scheduled on 21/09/23 & 22/09/23

As an integral as well as an auxiliary part of the Information-technology engineering, all of us students in the second year had to go on an industrial visit which lasted two days. The Students were taken to **Tops Technologies** near S.G. Highway at **Ahmedabad** to give them knowledge about actual work done in software industry and introduction to the various fields of IT and explain various training related courses as well as mobile technologies, graphic design, front-end, back-end technology and data science related technologies.

Total number of students benefited on 21/09/2023: 57

Total number of students benefited on 22/09/2023: 57
