

**Report on Workshop “Magento for developers” Organized by Information Technology department**

Students of TYIT of SVIT - Vasad, attending the workshop whose speaker is Mr. Mitesh Darji, Tops Technologies, Ahmedabad

**April 12, 2019:** “Magento for developers” workshop at SVIT, Vasad

Considering the incredible interest of students in the upcoming economic dynamic website development, IT department organised a one-day workshop wherein the trained professional from Tops Technologies, Mr. Mitesh Darji, an expert, introduced the concepts of PHP as well magento installation, usage with practical session.

Almost 91 TYIT students attended the workshop. It was, indeed, a imperative source of information as well as a fun-filled learning experience for students.
