**Report of Workshop "Learn object oriented programming with practicals" Conducted by Information Technology department**

Students of SYIT of SVIT - Vasad, attending the workshop by Mr. Krunal Trivedi, Microsoft Certified Trainer, Ahmedabad

April 12, 2017: "Learn object oriented programming with practicals" workshop at SVIT, Vasad

Seeing the tremendous interest of students in the upcoming genre of Object Oriented concepts, IT department organised a one-day workshop wherein the trained professional from Microsoft. Mr. Krunal Trivedi, an expert MCT trainer, introduced the concepts of OOP with practical session.

Almost 125 SYIT students attended the workshop. It was, indeed, a vital source of information as well as a fun-filled learning experience for students.
