GNFC Industrial Visit Report**

Dt.: 29th August, 2019

Report of Industrial Visit at “GNFC” at Bharuch on 21st August, 2019 for I&C third year students.

IC department had organized an industrial visit to ‘GNFC, Bharuch’ on 21st August, 2019. Total **51** students of **TY IC** as well as **2 Staff members** were benefited by this visit.

Brief summary of visit is as below:

Gujarat Narmada Valley Fertilizers & Chemicals (GNFC) is an Indian manufacturer of fertilizers and Chemicals located at Bharuch. Technical Services department of GNFC provided the great support for the visit and provided the platform to explore the various field instruments and analyzers in Urea and Ammonia plant. Students also got opportunity to visit the control room and gained the practical knowledge of DCS and ESD systems related instrumentation.

The photographs for Industrial Visit is find below.
