**Industrial Visit Report of Gujarat Alkalies and Chemicals Limited (GACL)**

**Date: 11<sup>th</sup> April, 2019**

**Report of Industrial Visit at “GACL” at Baroda on 4<sup>th</sup> and 5<sup>th</sup> April 2019 for I&C third year students.**

Industrial visit for VI semester students was arranged on 4<sup>th</sup> and 5<sup>th</sup> April, 2019 at Gujarat Alkalies and Chemicals Limited (GACL), Ranoli, Baroda. Total 52 students were benefitted by the visit. The students were taken to the Caustic plant (NAOH), Hydrogen Peroxide plant (H<sub>2</sub>O<sub>2</sub>), and instrument workshop. The students got to see the various field instruments, different types of valves, Yokogawa PLC and DCS. The students were also able to see the HMI's. Overall visit was informative for the students. The staff at GACL was very cooperative and was enthusiastic. The faculties who escorted the students were Prof. Krupa Narwekar and Prof. Rajkumar Joshi. Some of the photographs of the visit are as under:

The overall industrial visit was very informative and interesting.

Thanking you,
