

SARDAR VALLABHBHAI PATEL INSTITUTE OF TECHNOLOGY, VASAD
Instrumentation and Control Engineering Department

Date: 28th January, 2019

Report of Industrial Visit at “System Engineer” at Baroda on 23rd and 24th January 2019 for I&C second year students.

Instrumentation and Control Department, SVIT Vasad had organized industrial visit on “System Engineer”, at Baroda on 23rd and 24th January 2019 for I&C second year students. Total 46 students with two faculty member’s Prof. Palak B. Gajjar and Prof. Rajkumar M. Joshi were benefited from this industrial visit.

Systems Engineers with 20 years of experience is one of the leading manufacturers in the field of dead weight pressure gauge testers in India. The company also manufactures the instruments like temperature bath, temperature sensors; pressure sensors etc. From this industrial visit, students were benefitted by understanding the concept of temperature, pressure measuring instruments with calibration.

The snapshots of the workshop are attached herewith.

The whole visit was very interesting and knowledgeable.

Thank you,
