

**SARDAR VALLABHBHAI PATEL INSTITUTE OF TECHNOLOGY, VASAD
Instrumentation and Control Engineering Department**

Date: 29th January, 2019

Report of Industrial Visit at “Flowtech Measuring Instruments Private Limited ”, at Baroda on 23rd and 24th January 2019 for I&C second year students.

Instrumentation and Control Department, SVIT Vasad had organized industrial visit on “**Flowtech Measuring Instruments Private Limited**”, at Baroda on 23rd and 24th January 2019 for I&C second year students. Total 46 students with two faculty member’s Prof. Palak B. Gajjar and Prof. Rajkumar M. Joshi were benefited from this industrial visit.

Flowtech Measuring Instruments Private Limited is an accomplished manufacturer, trader and exporter of a wide range of measuring instrument like Tank level indicators, Rotameters, Float level switch and Level transmitter etc. The students were benefited by understanding the concept of Temperature, Flow, pressure & level measuring instruments and students are also got knowledge of transmitters and PLC panels.

The snapshots of the workshop are attached herewith.

The whole visit was very interesting and knowledgeable.

Thanking you,
