

**SARDAR VALLABHBHAI PATEL INSTITUTE OF TECHNOLOGY,  
VASAD**

**Instrumentation and Control Engineering Department**

**Date: 29<sup>th</sup> January, 2019**

**Report of Industrial Visit at “Sensewell Instruments Pvt Ltd ”, at Baroda on 23<sup>rd</sup> and 24<sup>th</sup> January 2019 for I&C second year students.**

Instrumentation and Control Department, SVIT Vasad had organized industrial visit on “**Sensewell Instruments Pvt Ltd** ”, at Baroda on 23<sup>rd</sup> and 24<sup>th</sup> January 2019 for I&C second year students. Total 46 students with two faculty member’s Prof. Palak B. Gajjar and Prof. Rajkumar M. Joshi were benefited from this industrial visit.

SENSEWELL is a strong technology based Process Control Instruments manufacturing Company having an excellent track record for high state-of-art quality instruments in process control industry. Company devoted itself towards developing digital process control instruments, Temperature Sensors, Heaters and Control panels. From this industrial visit, students were benefitted by understanding the concept of temperature, pressure measuring instruments, final control elements.

The snapshots of the workshop are attached herewith.

The whole visit was very interesting and knowledgeable.

Thanking you,

Prepared By,

**Prof. Dhruv M. Patel**

Faculty Co-ordinator and Assistant Professor,  
Instrumentation and Control Engineering,  
SVIT- VASAD

**Prof. (Dr.) Rakesh B. Patel**

Head of Department,  
Instrumentation and Control Engineering,
