Website : www.viitorcloud.com

Profile : Software Development & Corporate Training in IT sector

Visit Timing: 2:00 to 5 :00pm

Our sincere gratitude to the Principal Dr. S. D. Toliwal Sir, and Head of Department Dr. Bijal Talati mam for giving us Permission to go for such an Industrial visit.

After a lot of communication and approval from ViitorCloud Technologies Pvt. Ltd. our B.E. (IT) 3rd year students went on an industrial visit in the above said company.

ViitorCloud is Software Company. They are working on Emerging technology like Blockchain, ML, AI, PWA, IOT, RPA, AR/VR, Cloud teck, Devops etc. They offer Innovative, Reliable and Customers Friendly services using AR/VR technology and continuously focusing on productivity enhancement. ViitorCloud drives digital transformation with industry and customer focused end to end IT solutions.

Mr.Vishal Patel started the session by a brief introduction about company. He shared his experience of IT sector with us and guide for the other trends. He assist us to visit different labs where he demonstrate the working of Hologram table. They have presented some case studies of Hologram projects. Through discussions with employees of Viitocloud, the visiting students got information about current trends in programming languages as well as Emerging technologies.

The second session conducted by Mr. Vishal Rajpurohit (Director), he shared his journey as a successful entrepreneur. He also give awareness about the working structure and culture of IT industries and also relate with his company. His guidance is related to the latest trends of IT industries like AR/VR, AI, ML, IOT etc.

Total 113 students get benefit of this visit and guidance. We hope this visit helps them for the selection of subjects in their higher semester and also open their mind for the projects in above mentioned area. This kind of interaction with industry helps to improve industry relations, create awareness about corporate standards and practices. It also helps to bridge the gap between industry and academia.
