“SARJAN 2024” – A Project Contest

The MCA Department of SVIT Vasad conducted project competition “SARJAN 24” for final year MCA Students on **20th April, 2024**. A total of 40+ projects were evaluated by Industry Experts, Mr. Ashish Bhatt and Ms. Shalini Vats, alumni of MCA Department. The project contest was coordinated by Prof. Khushbu Patel, Assistant Professor, SVIT.

Mr. Ashish Bhatt is a SAP Developer at IDMC, New V.V.Nagar, Anand and Ms. Shalini Vats is a senior software engineer at GoTo Financial, Pune.

The main intention of conducting this competition was to evaluate the students’ final year projects by industry experts. The students show-cased their projects through demonstration and presentation. The experts reviewed the projects and gave their valuable feedback on how to improvise the projects.

The competition ended with evaluation of five best project groups. Out the 40+ groups, following projects we declared in the top five project list:
