Batch : 2011

An expert talk by Alumni on “Intersecting Horizons: Navigating Current Trends and IT Fundamentals”

MCA Department of SVIT had organized an expert talk on “Intersecting Horizons: Navigating Current Trends and IT Fundamentals ” on date 20th April, 2024 by MCA Alumni **Ms. Shalini Vats** from MCA Batch 2011. She is currently working as a Senior Software Engineer, Goto Financial, Pune.

She has explained the current need of the IT industry which is required from the freshers. She discussed about the current framework which are currently used to develop different projects in industry. Thorough knowledge of basic concepts and implementation of OOPs, data structure, relational database and discrete Maths are expected from the students before asking different framework or project related questions. Around 48 students of MCA were attended the session.

She shared her first interview’s experience of MasterCard which was conducted through SVIT campus recruitment cell. She discussed how to debug the code which are written by other coders because it is frequent requirement in the industry. She emphasised on the subjects’ thorough knowledge which are included within the GTU course curriculum. She mentioned some code-sharpening website in which students can upload their code to enrich their concept. She repeatedly conveyed to the students to implement the practical continuously to sharpen your basic concepts.
