“SARJAN 2025” – A Project Contest

The MCA Department of SVIT Vasad conducted project competition “SARJAN 2025” for final year MCA Students on **19th April, 2025**. Total 50 projects were evaluated by Industry Experts and MCA Alumni, **Mr. Sanjay Rathod**, MRI Software, Vadodara and **Mr. Rohan Shah**, CEO, Novumlogic Technologies, Vadodara. The project contest was coordinated by Prof. Khushbu Patel, Assistant Professor, SVIT.

The main aim of conducting this contest is to groom the students to present and demonstrate their projects which was developed during their internship of final semester. The industry experts reviewed their projects and provide valuable feedback on how to improve the projects. The students show-cased their projects through demonstration and presentation.

Out the 50 groups, following projects were declared in the top five project list:

Rank	Enrolment No.	Student’s Name	Project Title
1st	235300694028	Dhruv Kansagra	New product development
2nd	235300694023	Darshan Jain	Lender side's Loan Management System
3rd	235300694069	Shreya Vatsraj	Stanfield Encamera DAC
4th	235300694019	Milan Gohil	Retail Franchise Connect & Product Information
5th	235300694055	Hardi Shah	Student Performance Analysis
