| | |
|---|---|
| What was observed during Industrial Visit? | 1. Front-end development dept. |
| | 2. Conference Room |
| How this visit was useful to students for strengthening their practical understanding? | Students had an informative session with the concerned executive at the office. They got a chance to visit the front-end development department and some other areas of the office. Later they were taken to the conference room where they got a chance to engage in an insightful session regarding different subfields of modern computer era. Mr. Of Rishabh Software interacted with the students about the current technologies and cleared their doubts for the same. |
