Expert session for Second and Third year Students

The Expert session on "Placement Grooming and Importance of Mock Placement" for 4th and 6th semester IT students was organized by the Training & Placement cell, IT Department on 17th March,2025 to prepare them for the actual Placement process through Mock Placement drive.

All the stages students need to undergo during the actual placement drive and the importance of Mock Placement were explained in detail.

For the same we invited Mr. Digant Purani, Chief Mentor, IMS, Vadodara. Total 212 students benefited by the session.

Real GD – let the GAME begin !

Mental health – reality am...?

...act of ...cial m...ia
