

**Date:- 18/03/2025**

**Report on Industrial visit**  
**at Rishabh Software, Vadodara for TYIT Students**  
**10<sup>th</sup> and 11<sup>th</sup> March, 2025**  
**Academic Year: 2024-25 (Even Sem.)**

**Company Name: Rishabh Software**

**Address: Padra Road, beside Sigil India, Atladara, Vadodara, Gujarat 390012**

**Website: [www.rishabhsoft.com](http://www.rishabhsoft.com)**

As a part of the academic curriculum, third-year IT students visited Rishabh Software, Vadodara, on 10<sup>th</sup> and 11<sup>th</sup> March, 2025. Rishabh Software is a global IT service provider offering software development, mobile app solutions, cloud computing, and enterprise solutions. Established in 1999, the company has a strong presence in the USA, UK, and India, with Vadodara being its primary development center. The firm specializes in technologies like Java, .NET, Python, AI/ML, and cloud computing.

**Visit Highlights:**

- Infrastructure Tour: A walkthrough of the development centers, testing labs, and cloud computing infrastructure.
- Company Presentation: Introduction to Rishabh Software, its services, and technological expertise.
- Different Roles in IT Field: A very enhancing guidance to different roles for career guidance as students will be having placements from next semester.
- Interactive Session: Industry experts shared their experiences and discussed the latest technologies, including AI, Cloud Computing, and Cybersecurity.
- Q&A Session: Students engaged in discussions about career paths, required skill sets, and industry trends.

The visit was highly informative and interactive, giving students a better perspective on IT career opportunities. It was a valuable experience for third-year IT students, enhancing their understanding of software development processes, industry expectations, and emerging technologies.
