## A Workshop on “Single-Page Application Development with AngularJS”

MCA Department of SVIT organized a workshop on “**Single-Page Application Development with AngularJS**” on **30<sup>th</sup> December, 2025**. The main aim of organizing this workshop was to prepare students with practical, hands-on experience in building dynamic and responsive Single-Page Applications (SPAs) using AngularJS. The workshop primarily focused on developing efficient, scalable, and responsive SPAs with the AngularJS framework.

The workshop was conducted on **30<sup>th</sup> December, 2025** by an experienced professional in web development, **Mr. Sonu Singh**, Senior trainer from **TOPS TECHNOLOGY, Vadodara**. The resource person shared both theoretical concepts and practical insights related to AngularJS development.

A total 56 students of MCA Semester-1 attended the workshop.

The following topics were covered during workshop:

- Introduction to Single-Page Applications
- Installation of AngularJS
- Overview of AngularJS framework
- AngularJS architecture and MVC pattern
- Core AngularJS concepts such as Modules, Controllers, and Scope
- Routing and navigation in SPAs
- Hands-on session on building a simple AngularJS application

All students actively participated in the workshop and performed hands-on practice as demonstrated by the resource person. The session concluded with an interactive question-and-answer segment, which helped clarify students' doubts. The participants were greatly impressed by the content and knowledge shared by the expert and provided positive feedback, appreciating his technical expertise and practical approach.
