

Sardar Vallabhbhai Patel Institute of Technology, Vasad

MCA Department

**A report of an Industrial Visit at “Odoo”, Infocity,
Gandhinagar on 12/12/2025**

An Industrial Visit at Rishabh Software, Baroda on 12/12/2025

MCA department of SVIT, Vasad has organized an industrial visit at “**Odoo**”, **Infocity, Gandhinagar** on **12th December, 2025** for MCA students. Total 88 students of MCA (Sem-1&3) have visited an industry along with 4 faculty members Nil Gosai, Payal Chauhan, Zankhana Bhatt and Khushbu Patel. The bus facility provided and its pickup points were Fatehganj, Chhani, Vasad, Anand and Gandhinagar.

The main objective of Industrial visit provides students a very big opportunity to meet industry experts, professionals, entrepreneurs, and corporates who share their wisdom, learning, and experiences. Industry interaction is also helpful in updating the curriculum when there are some changes in prevalent technologies; as we all know the technology is changing remarkably, so we would have to adopt new technology. The college students, faculty members get to grasp the knowledge about the industry’s latest trends with the latest technologies.

The introduction session was conducted by Mr. Shardul Dave sir, Assistant Manager an Instructor at Odoo.he gives knowledge about IT applications by explaining how **Odoo ERP integrates different business functions** like sales, HR, accounting, inventory, and CRM into one system. They describe the **real-time workflow of applications**, from data entry to report generation. The manager explains **how modules are developed, customized, and deployed** using Python and XML. They also share insights on **database management, security, and user access control**. Practical examples of **industry use cases and project implementation** help students understand real-world IT applications.

This interactive session was useful to students in their career and help them in developing leadership qualities, management skills, and study the industry working which helps them to get a good job in future. Students get to learn a lot of things that will help in their development and also for the future.
