Sardar Vallabhbhai Patel Institute of Technology, **Vasad**

<u>**MCA Department**</u>

A report of an Industrial Visit at "Fxis.Ai", Ahmedabad on 21/10/2024

MCA department of SVIT, Vasad has organized an industrial visit at **"Fxis.Ai", Navarangpura, Ahmedabad** on **21th October, 2024** for MCA students. Total 72 students of MCA (Sem-1 & Sem-3) have visited an industry along with 4 faculty members. The bus facility provided and its pickup points were Fatehgunj, Chhani, Vasad and Anand.

The main objective of Industrial visit provides students a very big opportunity to meet industry experts, professionals, entrepreneurs, and corporates who share their wisdom, learning, and experiences. Industry interaction is also helpful in updating the curriculum when there are some changes in prevalent technologies; as we all know the technology is changing remarkably, so we would have to adopt new technology. The college students, faculty members get to grasp the knowledge about the industry's latest trends with the latest technologies.

The introduction session was conducted by Ms. Barkha Maru, an Instructor at Fxis.Ai. She updates students about most demanding tools and technologies in market for Application Development, Digital Marketing, Machine learning, Data science, AI, NLP, data analytics etc. She briefed about an intelligent systems like ChatGPT, Chatbot, Self-Driving Car, and Smart Wearables and how they works. The session was interactive.

This interactive session was useful to students in their career and help them in developing leadership qualities, management skills, and study the industry working which helps them to get a good job in future. Students get to learn a lot of things that will help in their development and also for the future.
