**Report On Educational Visit to Gujarat Legislative Assembly (Vidhan Sabha),
Gandhinagar**

An educational visit for MBA students of SVIT Vasad was organized at the Gujarat Legislative Assembly (Vidhan Sabha), Gandhinagar, on 15 October 2025 (after 1:30 p.m.). The visit was conducted as a part of the institute's academic enrichment initiative with the objective of providing students with practical exposure to the legislative and governance framework of the State.

A total of 64 MBA students, accompanied by three faculty members, participated in the visit. During the program, students gained valuable insights into the structure and functioning of the Gujarat Legislative Assembly, including the legislative process, administrative procedures, and governance mechanisms. The visit enabled students to understand how laws, public policies, and government decisions are debated, formulated, and implemented within the legislative framework.

Students were also introduced to the roles and responsibilities of elected representatives, legislative committees, and various administrative bodies involved in the governance process. The interaction provided a deeper understanding of the law-making process and highlighted the significance of effective governance in shaping the social, economic, and business environment of the State.

The educational visit proved to be an enriching learning experience, enabling students to connect theoretical concepts from subjects such as Business Environment, Governance, and Public Policy with real-world legislative practices. Such initiatives play a vital role in broadening students' perspectives and enhancing their awareness of how government systems influence organizational and economic activities.
