Report on Participation in “Taxpayers’ Hub” Awareness Program

The MBA students of SVIT Vasad actively participated in the “Taxpayers’ Hub” awareness program organized by the Income Tax Department, Vadodara, from 6th to 8th October 2025. The program was conducted with the objective of creating awareness about taxation, financial literacy, civic responsibility, and the importance of tax compliance among citizens.

During the three-day program, the students enthusiastically engaged in various awareness activities and events designed to promote a better understanding of the nation’s taxation system. Through their active involvement, students gained valuable insights into the role of taxation in economic development, the importance of transparency in financial matters, and the responsibilities of citizens in contributing to the country's growth through tax compliance.

The program also provided students with an opportunity to interact with officials from the Income Tax Department and enhance their knowledge of public finance, governance, and financial awareness initiatives. Their participation reflected a strong sense of professionalism, social responsibility, and commitment to community outreach.

The efforts and wholehearted participation of the MBA students were formally acknowledged and appreciated by the Principal Commissioner of Income Tax-I, Vadodara, who commended the institution for its meaningful contribution to this important educational initiative. The appreciation received serves as a testament to the students’ awareness, discipline, and sense of civic duty.

The program proved to be an enriching learning experience, broadening students’ understanding of taxation and public administration while encouraging responsible citizenship. Such initiatives play a significant role in enhancing students’ practical knowledge and social awareness beyond the classroom.
